Re: Request for Confidentiality

Gentlemen:

In reference to the application under FCC ID : WPX-AHSL, and pursuant to Sections 0.457(d)(1)(ii) and 0.459 of the Commission's Rules, the Aircell LLC hereby requests confidential treatment of the accompanying information as outlined below:

- Schematics
- Block Diagram
- Theory of Operation
- Tune Up Procedure

These documents contain detailed system and equipment description and related information about the product that Aircell LLC considers to be proprietary, confidential, and a custom design and otherwise, would not release to the general public. Since this design is a basis from which future technological products will evolve, Everex Communications, Inc. considers that this information would be of benefit to its competitors, and that disclosure of the information in these documents would give competitors an unfair advantage in the market.

Sincerely,

---
